What They Do

- Restaurant Owners
- Hard Workers

When They Did It

- Mom born 1971
- Dad born 1976
- Started their own business in 2008
- Father got a degree in Theatre
- Mother got a degree in business management

Where?

- Mom was born in Chicago
- Dad was born in Peoria
- Both grew up with their parents and siblings

Why?

- My parents did what they did do support me and my sisters and I am very thankful for everything that they do for us. Without them, we wouldn't have the privileges that we are able to have today and we can't take anything for granite.

How?

- My parents are inspiration to me and my sisters because they teach us how to be successful and good people in life and to always surround yourself with the right people and to always be respectful. I love my parents and they are the best.
